AIEAA NEWS

13th AIEAA Conference

The 13th Conference of the Italian Association of Agricultural and Applied Economics (AIEAA) "The social sustainability of European agriculture facing old and new challenges. Issues, methods and policies" will take place the 20-21 of June 2024 at the University of Bari "Aldo Moro" (Italy). Detailed info can be found available at the Conference [webpage](#).

AIEAA Talks

We thank members who answered this call and proposed topics for the AIEAA Talks.

Five Talks will be held online between March and May 2024.

The last Talks scheduled for this season is scheduled for the **7th of May 2024** - The Development Of Supply Chains: Paths And Perils of Wild Game Meat (Dr. Gianluca Grilli)

Further details and instructions for attendance will be circulated soon. Stay tuned!

AIEAA Young Researchers' Seminars and Courses for PhD students

In order to face the need to strengthen training in the agricultural and applied economics fields, improving the collaboration between the various Italian PhD school on agricultural and applied economics, a list of seminars and long courses open to PhD students belonging to all Scientific Societies AGR/01 is available. People interested in attending these activities can directly write to the contact person listed listed in the last column of the table. Suggestions from organisers about further seminars or short courses are more than welcome. The list will be updated periodically. All information can be found at the following [link](#)

Please transmit this information to young PhD students.
